FOOD ENERGY EFFICIENT

EURONEO FOOD ENERGY AND RECYCLE PVT. LTD.

ADVANTAGES

- 1.Reduce environmental impact by saving 70% more water compared to traditional methods.**
- 2.Eliminate the need for toilet paper or wet wipes.**
- 3.It offers a healthy solution by cleaning the intimate area with a controlled temperature water jet through a cannula.**
- 4.After washing, users can activate the drying function, significantly reducing or completely eliminating the need for toilet paper.**
