INDUCTION

Presenting Volta, a collection of high-performance cooktops featuring state-of-the-art induction technology that guarantees unmatched precision and efficiency in cooking.

With a sleek modern design, Volta showcases an elegant black glass surface paired with electronic side touch controls, effortlessly merging aesthetics with practicality. Offered in three convenient widths - 24", 30", and 36" - Volta provides versatile choices to suit any kitchen layout. Furthermore, our cooktops are equipped with numerous enhanced features that will transform your culinary experience.
